I shall be obliged if the Financ Department is given some idea, however rough, of ~~the~~ suspensions and remissions, if any, that may have to be allowed in the current year owing to adverse agricultural conditions. I want to know to what extent our revenue account position and our cash position will be unfavourably affected by this factor. If there is no probability of any remissions and suspensions, such an assurance will also be of much use to the Finance Department.

Copy of ~~the~~ letter No. 205/23-24 dated the 3rd January 1924 from the Deputy Commissioner, Kadur District, to the Revenue Commissioner in Mysore, Bangalore.

With reference to Revenue Secretary's No. R. 2115-22/R.M. 14-23-2 dated 14th November 1923 calling for an estimate for remissions and suspensions of land revenue that may have to be grated in this District owing to the failure of crops during the current year, I have the honour to state that no remission or suspension of land revenue to any appreciable extent seems necessary. From the reports received from the Amildars it is estimated that a sum of Rs. 3,100/- as particularised in the margin may have to be remitted during the year on account of total failure of crops.

| Koppa | ... | 2,000 |
| Narasimharajapura | ... | 300 |
| Mudgere. | ... | 600 |
| Total | | Rs. 3100 |

2. I have now made a tour through all the taluks in the District, except Mudgere, discussed the situation with the Sub Division officers and Amildars, and I do not think that the condition anywhere has been so serious as to demand a general remission or even suspension of land revenue. Though the dry crops in particular localities have suffered much owing to the general drought there has on the whole been a fair harvesting of such crops in varying degrees - viz., Annas 4 to 8. The wet and garden lands not damaged by the floods have yielded a moderate return.

3. As regards the grant of remission in the ~~case~~ case of lands affected by the floods, the detailed report called for in your No. C. 297/23-24 dated 28th October 1923 will be submitted soon after the close of the Huzur Jamabandi of the affected parts which I propose to take up during this month. This may kindly be extended till the end of this month for submission of the report.

In reply to your docket No. C. 147/Rev dated 10th November 1923 calling for a statement showing the remission and suspension of assessment in the several Taluks of this District during 1923-24 on account of the failure of crops due to drought, I have the honour to state that from the reports received from the Amildars of Gundlepet, Heggadadevanakote, T. Narasipur, Mysore and Yedatore, it is seen that no necessity for any remission or suspension of assessment on this account exists in these Taluks.

The marginally noted Amildars have reported that an aggregate sum of Rs. 36,300-0-0 in the shape of remission and Rs. 51,500/- in the shape of suspension will have to be effected in their respective Taluks as detailed in the margin.

The figures furnished above are as reported by the Amildars, approximate and Kulwar statements under each head will have to be prepared in accordance with Government Order No. R. 3748-58/L.R. dated the 4th February 1922. On receipt of the above particulars from the Amildars the detailed statements will be submitted for sanction.

The reports due by the remaining Amildars of four Taluks have not as yet been received in this office. They have again this day been reminded to submit the same immediately.

But as Government have recently sanctioned in their order No. 256-60/Dis. dated 16-1-1924, the grant of remissions in respect of two Taluks mentioned in the list.

2. In the figures now furnished are included those relating to bagayat lands usually sown with wet crops as the crops on those lands have suffered equally with those on wet lands proper., and are irrigated by tank water. I recommend this as a similar concession was granted in the year 1918-19 (Kalayukthi) (vide Revenue Commissioner's No. F.C. 258/28/29-5-1919).

3. Another word of caution should be added. The figures are based on the calculations of the Amildars, Sub Division Officers and myself on the assumption that suspension would also be sanctioned in taluks other than Coribidnur and Gudibanda in all deserving cases, even in the absence of individual applications. If in these taluks, concession is to be granted only where applications therefor have been made, the total amount for suspensions will be very considerably reduced.
